

Our work touches the mind, body, heart- and ultimately the spirit- of those we serve, integrating our **deep compassion** and **respect** for each individual with highly effective programs and services.

## MISSION

Volunteers of America is a movement organized to reach and uplift all people and bring them to the knowledge and active service of God.

Volunteers of America, illustrating the presence of God through all that we do, serves people and communities in need and creates opportunities for people to experience the joy of serving others.

Volunteers of America measures its success in positive change in the lives of individuals and communities we serve.

Changing **LIVES**  
Changing **COMMUNITIES**

We also recognize a deep human need to **express faith through action**, to carry out God's will that we love one another. Our vision is to **engage** the energy and goodwill of the people of South Louisiana, to **care** for our neighbors who need help today, and to **build** healthier communities for tomorrow. Helping others reach their full potential reveals the potential in us **all**.
