#### **“Setting the Stage for Success: Preparing for the Future of Early Childhood Education in Louisiana”**

**Saturday, June 20, 2015  
8:30 am – 3:00 pm**

West Baton Rouge Conference Center  
2750 N. Westport Dr.  
Port Allen, LA 70767

Join PICC for an informative day learning what to expect as a new member of a Louisiana Early Childhood Care and Education Community Network pilot! PICC staff members will introduce you to the goals of Act 3 and the tools Louisiana is using to help you keep improving the quality of early learning.

Enjoy two breakout sessions: one session will take you deeper into the Teaching Strategies GOLD tool and how it helps you assess the progression of learning among children in your care; the other session will take you deeper into the CLASS tool and how it helps you have easier, more effective interactions with children.

Breakout sessions will be divided into 3 tracks based on each participant's role in your child care center:

- Track 1 for Leaders (Center Directors)
- Track 2 for Infant or Toddler Teachers
- Track 3 for Pre-K Teachers

Please note: This conference is for child care center Directors and Teachers.

We are very excited about the season change and all of the events and trainings that we have to offer you in this month. As you look over the training flyer you'll see lots of new topics as well as some old favorites!

#### **We just want to remind you of the following things when preparing for training:**

**Punctuality** is important. Arrive early to the training site and make arrangements to stay through the entire session. Participants who arrive late or leave before the session is over will not be issued a certificate and no credit will be given.

**Prepare** to participate! A great deal of preparation goes into each training session. Trainers want your full participation. Select sessions that interest you so that you will have a positive experience.

**Plan** ahead. Know the title of the session you are attending and be sure of the location. This information is listed on the confirmation sheet that you receive after making your payment. If you are unsure of the location, give us a call, we can help you with that.

**Professional** attitude precedes you! Remember when attending a workshop, you represent your business or the center that you are employed with. Displaying the same positive behavior that we try to convey to young children is very important. Keep it professional!

**Partnerships In Child Care** is committed to providing quality services for you and your staff. Together we can make this an awesome year! Remember, the children in your care deserve knowledgeable, responsible caregivers – the very best! See you in training!!
