- ✓ Over 90 trainings offered!
- ✓ More than 110,000 clock hours earned!!

We appreciate your continued quest for knowledge & education in the child care field!

Here are some things to remember when preparing for training:

- ✓ **Punctuality** is important. Arrive early to the training site and make arrangements to stay through the entire session. Participants who arrive late or leave before the session is over will not be issued a certificate and no credit will be given.
- ✓ **Prepare** to participate! A great deal of preparation goes into each training session. Trainers want your full participation. Select sessions that interest you so that you will have a positive experience.
- ✓ **Plan** ahead. Know the title of the session you are attending and be sure of the location. This information is listed on the confirmation sheet that you receive after making your payment. If you are unsure of the location, give us a call, we can help you with that.
- ✓ **Professional** attitude precedes you! Remember when attending a workshop, you represent your business or the center that you are employed with. Displaying the same positive behavior that we try to convey to young children is very important. Keep it professional!

Partnerships in Child Care is committed to providing quality services for you and your staff. Together we can have continued success in the area of early care and education! Remember, the children in your care deserve knowledgeable, responsible caregivers – the very best!

Centers can also contract and pay for trainings to be held on-site, during a time of the center's choosing.
