Please help staff make smart choices about class selections. Because of the variety of training topics and sites, please be sure of where the training will be held before you register. And as always, make sure staff members know where they are going, what time they need to be there, and for which session they are registered. Participants who arrive late will not be allowed to stay or issued a certificate. If for some reason you need to cancel a class that you are registered for please give us a call at least 2 days before the training.

Together we can soar to new heights in child care. Remember, the children in our care deserve knowledgeable, responsive caregivers – the very best! See you in training!!!
