- ✓ **Prepare** to participate! A great deal of preparation goes into each training session. Trainers want your full participation. Select sessions that interest you so that you will have a positive experience.
- ✓ **Plan** ahead. Know the title of the session you are attending and be sure of the location. This information is listed on the confirmation sheet that you receive after sending in your registration form. If you are unsure of the location, give us a call, we can help you with that.
- ✓ **Professional** attitude precedes you! Remember when attending a workshop, you represent your business or the center that you are employed with. Displaying the same positive behavior that we try to convey to young children is very important. Keep it professional!
