***Using Assessments to Guide  
Children's Learning and  
Development***

***Time: 12:00 PM-2:00 PM***

***This Training participants will  
learn the importance of  
observation-based assessment  
in promoting children's  
development and learning,  
how to conduct effective  
observations and assessments  
of children throughout  
activities and routines within  
the daily schedule.***

***Playdough Power***

***Time: 2:00 PM-4:00 PM***

***This simple preschool staple  
lets children use their  
imagination and strengthen  
the small muscles in their  
fingers—the same muscles  
they will one day use to hold a  
pencil and write. Using  
playdough supports a child's  
social skills such as sharing,  
taking turns, and enjoying  
being with other people.  
Playdough also encourages  
children's language and  
literacy, science, and math  
skills—all at the same time!***
