Providing Child Care Training, Child Care Referrals, Educational Resources, and Technical Assistance

April, May, June 2017

Greater Baton Rouge Area Regions 2 & 3

Welcome Spring!

We are very excited about the season change and all of the events and trainings that we have to offer you in this month. As you look over the training flyer you'll see lots of new topics as well as some old favorites!

We just want to remind you of the following things when preparing for training:

Punctuality is important. Arrive early to the training site and make arrangements to stay through the entire session. Participants who arrive late or leave before the session is over will not be issued a certificate.

Prepare to participate! A great deal of preparation goes into each training session. Trainers want your full participation. Select sessions that interest you so that you will have a positive experience.

Plan ahead. Know the title of the session you are attending and be sure of the location. This information is listed on the confirmation sheet that you complete registration. If you are unsure of the location, give us a call, we can help you with that.

Professional attitude precedes you! Remember when attending a workshop, you represent your business or the center that you are employed with. Displaying the same positive behavior that we try to convey to young children is very important. Keep it professional!

Partnerships In Child Care is committed to providing quality services for you and your staff. Remember, the children in your care deserve knowledgeable, responsive caregivers – the very best! See you in training!!

Celebrate Week of the Young Child!

Week of the Young Child is an annual celebration hosted by the National Association for the Education of Young Children (NAEYC) celebrations early learning, young children, their teachers and families. Parents, teachers, caregivers and other adults play important roles in the lives of young children, and Week of the Young Child celebrates their efforts. This year the celebration will be the week of April 24 - 28, 2017.

We can show our support for early learning in our community by promoting early literacy programs, thanking teachers who care for our children, and working to ensure that our public policies support early learning for all young children.

Week of the Young Child is a time that reminds us that **Early Years are Learning Years.**

Here are some ways you can celebrate:

1. **Host "Spirit Week" at your center**
2. **Hold a "Thank you Luncheon" for the teachers**
3. **Invite parents to "Parent Night"**
4. **Host "Let's Read Together" night for parents and students**
5. **Invite the staff at PICC to your event!**
